#### FEATURED EVENT

##### Startup Variety Show

Silicon Flatirons will launch a new event series in summer 2022 that will convene multiple dimensions of the startup community. This **Startup Variety Show** will showcase companies, highlight ideas, and reinstate in-person interactions across campus and within the emerging company community.

#### STUDENT PROGRAMS

##### Accepting Applications for Startup Summer 2022

**Startup Summer** provides an energetic, high caliber boost to emerging company internships. This annual program, now in its eleventh iteration, surfaces students who are ready to enter the world of startups, innovation, and emerging companies.

Undergraduates and recent grads—

#### ANNOUNCEMENTS

##### FCC to Consider Receiver Standards

The FCC will be focusing on the interference protection rights and duties of radio receiver operators. This important issue, which **Pierre de Vries** and **Dale Hatfield** have been pursuing for decades, has been a topic of Silicon Flatirons events and publications since 2009.

Mark your calendars for May 18, June 15, and July 13. We hope to see you on campus at Colorado Law for the Startup Variety Show!

don't miss this exclusive opportunity to meet and learn from Colorado's top entrepreneurs! Applications are being accepted now.

Companies—**Startup Summer** is an excellent way to maximize your interns' summer experience and give back to the next generation entrepreneurial community.

## SUPPORT THE CENTER

Silicon Flatirons exists thanks to the generosity of our supporters and the strength of our community. We rely on their contributions to advance our mission to catalyze policymaking and innovation and to develop the next generation of tech lawyers, policy experts, and entrepreneurs.

**Want to learn more about becoming an official supporter?** Click the donate button or contact [sfdevelopment@colorado.edu](mailto:sfdevelopment@colorado.edu).

**DONATE**

*Intellectual honesty is critical. Good debate and thinking require it. Thus, while we are fully funded by our generous supporters, our programming and initiatives remain staunchly unbiased and objective.*

## WHAT WE DO

For more about our initiatives, upcoming events, programs, publications, media, and student opportunities, visit our website at [siliconflatirons.org](https://siliconflatirons.org) and follow our socials.
